SERVICEMEN'S CORNER:

Hello, fellows! Here's your old Editor--back from vacation, and all rested up (I think!) While I was gone, five of you were kind and thoughtful enough to write, and two of you sent pictures for the Byline Office window "Honor Roll". We've got some fifteen or sixteen of you fine looking fellows up there now, for your own particular "Homesome Gal" to sigh over, (and brag about). I hope you paid attention to my front page on the June 22nd issue (just before I left for vacation)--especially the part where I said getting those nice letters from you fellows made the whole thing worth every bit of work and expense we've put into this paper. Just keep the letters and cards and pictures coming--and you can rest assured that as long as the Byline is in existence, you fellows in Service will be getting your weekly copies--IF you keep letting us know your change of address! Just a penny postal with your new rating, AIC number, etc. on it--so you won't miss any issues. Who knows, the issue you miss, may be the very one you wouldn't WANT to miss!

Guess I'd better get to these letters. I'll print as many of them this week as I can--the rest can wait until next issue, okay? Here goes:

LETTERS FROM OUR SERVICEMEN:

Somewhere in Germany
Hello, Editor:

I fully realize that hearing from me will be a shock to you--but try and be brave about it! Sorry I haven't written sooner, and to tell the truth--I have no excuse. I get the Byline every week, but because I failed to send you my address since being shipped over here, my copies of the Byline are rather old before they get here. But I still enjoy them very much, as they keep me well posted on what has been going on back there.

I like it here where I'm stationed in Germany, and I think it must be a little better than being in Korea, although I would like to be with John (Zgraggen) and Spike (Wakolee). In the 26th Regiment we go all out for sports. If we can play a game of some kind, we get two afternoons off for practice. The boxers get every afternoon off. But we DO do a lot of training here--much more than in the states. We are well-equipped, and well-trained to use them.

Well, it's best that I stop for now. Say hello to all my friends for me, and if you write to John and

Spike, say hello to them for me.
As ever, your friend,

Claget (BUCK) Shulda.

Dear Editor:

I am sorry I have taken so long in writing, but when I arrived here they asked for a couple of men with my specialty code number, to go overseas. I didn't want to put you to the trouble of changing my address so often, so I waited to see what would develop. They have since cancelled the order--so guess I will be here for some time.

I was in Brisbane two weeks ago and tried to find you, but it was like looking for a needle in a haystack!

Where is Herb Gagnier stationed now? How about sending me a list of the boys addresses? Well, can't think of anything else to say right now, so will close for this time. Lots of luck to you always--

Richard "RICK" Hatch.

Dear Reeces:

Will drop you a line while I'm in a letter writing mood. How are you? I hope you enjoyed your well earned vacation.

Thanks for sending me Ed Paron's and Howard Green's addresses. I will have to drop them a line or so. As for "little ol' me"--I made CORPORAL! So--I'm coming up in the world!

How is everyone in good old Brisbane? Say hello to everybody for me, please? I have been getting the Byline regularly and enjoy reading it very much,--in fact almost as much as all the other guys here! So thanks a million for sending it.

I have an inspection to make, so had better make this short, as I have to clean my gear. "Bye for now. As ever,

CPL. Don "MICKEY" Hunter.

ED'S NOTE: Still have two more letters; from Jimmy Wright, and from Jim Rice (migosh! what a similarity in names!)--and will save those letters for next week, as I don't want to shorten them.

found acting as foremen for Pomeroy
and Company. GOOD LUCK WITH THE

on Tuesday evening, July 10th, at
7:45 p.m.

he will spend four weeks in the
sunshine--just lolling around in
patches of poison ivy, no doubt!

WHAT'S THE SCORE???--by Ron Wright.

Hi, sports-lovers. So far, I've only received one letter in answer to my pleas for suggestions and criticisms. Now that High School is shut down for the summer vacation period--I won't be able to cover much of the sports for you--but will put in an occasional item for you. Now---here is my answer to the ONE letter I received:

Dear Mrs. Butler: My deepest apologies to your son for not keeping track of the Lark's Baseball Team. The truth of the matter is that I only write about highschool or teenage sports, or those displayed by the youngsters at the local Recreation center during the summer.

Inasmuch as I am a high school student myself, I would like very much to meet your son. I would appreciate the opportunity of welcoming him personally to Brisbane.

My editor has, as you will discover on this page, found someone who is connected with the Larks and who will give you information on their games.

Thank you so much for your interesting letter, and for your criticisms, as I am always open for correction.

Sincerely, RON WRIGHT.

PLAY BALL!! -- by Fred Chapman.

Brisbane's entry into the San Francisco Class A Night League recreation department--the Larks--are off to a good start. They were beaten in their first game by Perella's Cleaners 14 to 3. The Larks are local boys, and need your support at these games. Please turn out to see them play. All games are played at Funston Playground. The next game is tonight (July 6th) at 7:15 p.m.

AMERICANISM ESSAY CONTEST WINNERS:

The Americanism Essay Contest sponsored by American Legion Post #473 of Brisbane was judged at the final assembly of both the Brisbane Elementary School and the BayShore School, with three winners chosen from each school. Brisbane's winners were; First, Carol Mack--Second, Diane Varley--and Third, Ernest Hutchinson. At the BayShore School the following pupils took top honors; First, Sally Pasanen; Second, John Dods; and Third, Mary Dodge.

Brisbane's Bill Harris, chairman of the Program for the local post, presented the awards. Congratulations to the students who entered the contest, and to the winners. The judging was exceedingly hard, as all entries were far above what is usually expected of grade school children.

LETTER TO THE CALL-BULLETIN EDITOR

This letter from a Brisbane mother of three veteran sons was passed on to the Byline after it's discovery in the Call-Bulletin: EDITOR: I AM ONLY A MOTHER. MY YOUNGEST SON IS IN KOREA. I HAD THREE SONS IN THE SECOND WORLD WAR. I COULD UNDERSTAND WHY WE WERE AT WAR WITH THE JAPANESE.-----

EVERYONE MAKES MISTAKES. BUT WHY LET MISTAKES GO ON AND ON WHILE WE MOTHERS GRIEVE FOR OUR SONS, WIVES FOR THEIR HUSBANDS, CHILDREN FOR THEIR FATHERS? HOW LONG MUST WE SUFFER WITH OUR MEN OVER THERE? WHY MAKE BOMBS, GUNS, AND SUCH IF WE ARE NOT GOING TO USE THEM? IS

YOUR EDITOR'S VACATION:

So many people have been kind enough to ask me about my vacation that I feel I should include it here--so that all may know my idea of AN IDEAL VACATION for a woman!

The first week of my vacation was spent at home---washing, ironing, cleaning house--AND getting out that week's issue of the Byline. SO---I was tired enough to enjoy the week's rest I had with my "girl-friend", Mrs. Rose Hickey. Only three times during the entire week did we come down into San Francisco. Monday we went shopping. Didn't have too much of the necessary folding money--so spent most of the day WINDOW shopping--and WISHING!

On Wednesday evening we used our reserved seat tickets and saw the Ice-Follies. Elsie Von Scheven of the Brisbane 5 & 10 joined us for that, and spent the night with us at Mrs. Hickey's city apartment.

On Friday night, Mrs. Hickey and I--escorted by her very nice cousin Tod---attended the CES Radio Station, where we witnessed the broadcasting of the TREASURE TUNE show. Otherwise--I just RESTED, and read books--and crocheted a sweater! ----Ye Editor!

LETTER FROM A BRISBANE MOTHER:
(Continued from Page Four)

THE POPULATION OF MEN IN OUR COUNTRY TOO LARGE, THAT WE HAVE TO HAVE THEM SLAUGHTERED? OR IS IT JUST POLITICS?

MRS. FRANK KARELL.

(Editor's note:--Mrs. Frank Kaherl is the mother of young John Coryell ---the same young John Coryell who is now in a hospital in Japan with shrapnel in his leg. The same fine young man who wrote such a fine letter to your editor a few issues back---the letter which I will keep and treasure all my life. The letter which said that the first thing he saw when he opened his eyes after his dreadful operation--was our own Byline---and it made him feel better because it made him think of home. This mother knows what she is talking about. I think we should listen. Don't you?)

Both young men were first sent to Sheppard Airforce Base in Texas, but only recently Bob Mink has been transferred to Keesler Airforce Base at Biloxi, Mississippi. Bob Mink is the son of Mr. and Mrs. Wayne Mink of Brisbane, while "Rowboat" Owens is the son of Mrs. K. H. Barron, of South San Francisco.

Brisbane is to be congratulated for having two more fine young men representing her in the Armed Forces of our Nation.

MORE ABOUT THE "LARKS":

We have just learned that Jim Butler will now be a regular member of the Larks. Jim is a pitcher, and a darned good one. He is a definite asset to the local baseball team.

Besides the Friday night's game this week, there will also be another night game Monday night (July 9th), at 7:15 p.m. The games will both be played at Funston playground, at Chestnut and Bay Sts. in San Francisco. HOW ABOUT SOME LOCAL SUPPORT FOR THIS LOCAL BALL TEAM????
